Crowdfunding CFO Services

Our [Crowdfunding CFO \(CCFO\)](#) Startup plan is a great option for a startup raising capital the first time, or a smaller business who just needs their bookkeeping managed for them. The Complete Package is for the mature business who is taking things to the next level and ready to file for a **Regulation D 504, 505, 506 Offering, Pre-IPO or Reg A+ Offering.**

You don't want to have to worry about this **"accounting stuff"** and you just want it done, so you can have the information you need at all times, to run your business properly. Here we will work with you to streamline systems, and develop your ecosystem with the right online apps and infrastructure. We are truly your back office partner. The CFO Plan adds our CFO service to our Complete Package service. In short, we'll keep your books and run your cash flow projections for you. Then, we'll meet with you remotely to review and plan. We lay out the yard sticks, so you can reach your milestones.
